## 2017-2018

<p><b>September 15, 2017</b></p> <p>8:00-4:00</p> <p>Sonoma County Office of Education 5340 Skylane Blvd</p>	<p style="text-align: center;"><b>School Behavioral Threat Assessments: An Introduction</b></p> <p>An overview of school behavioral threat assessments to prevent and reduce targeted violence. This training is for: District and school administrators, teachers, counselors, school psychologists, support staff, and additional staff who play a role in threat assessments and/or school safety, security, emergency management and preparedness; community partners, such as law enforcement, including School Resource Officers, and local mental/behavioral health representatives; and representatives from community groups, including youth-serving organizations. Register for this training online at:</p> <p><a href="http://www.remstacenter.org/TBR/TrainingRegistration.aspx?trainingsid=255">http://www.remstacenter.org/TBR/TrainingRegistration.aspx?trainingsid=255</a></p>
<p><b>September 19, 2017</b></p> <p>8:00 – 2:00</p> <p>San Andreas I/II Conference Rooms</p>	<p style="text-align: center;"><b>Target Solutions Overview</b></p> <p>Do you want to know how to schedule and set up trainings for your staff? Do you have questions about trainings and how get your training program started? Come to the Target Solutions training to see how you can get the most out the Target Solutions program. This workshop is for all staff involved in the hiring process and training. Ashlee Marinello will be here to answer questions, address concerns, show shortcuts to navigating Target Solutions online training program and provide one-on-one training if requested. Please RSVP to <a href="mailto:etarkhanian@resig.org">etarkhanian@resig.org</a> or 707-836-0779, ext. 111.</p>
<p><b>September 27, 2017</b></p> <p>9:00-1:30</p> <p>San Andreas I/II Conference Rooms</p>	<p style="text-align: center;"><b>Contracts &amp; Indemnification Risk Transfer Workshop</b></p> <p>This workshop will cover: Transfer of Risk using Contracts &amp; Indemnification, recent Insurance changes that require your contracts be updated, coverage verification for your contract insurance &amp; insurance requirements and how early communication with RESIG is important to help avoid risks and have more time to help negotiate contracts. In addition Wells Fargo will take the general knowledge and apply it specifically to how it affects our districts. To register for this workshop, please contact Deborah Fraser at <a href="mailto:dfraser@resig.org">dfraser@resig.org</a> or 707-836-0779, ext. 121.</p>
<p><b>October 10, 2017</b></p> <p>8:00 – 12:00</p> <p>San Andreas I/II Conference Rooms</p>	<p style="text-align: center;"><b>Post Offer Pre-Placement Program Workers Comp, Fitness for Duty, Return to Work</b></p> <p>This training is for: HR Personnel, Supervisors, Superintendents and personnel responsible hiring and workers compensation. This workshop will be especially helpful for anyone who has recently been assigned these responsibilities. To RSVP, please contact Erin Tarkhanian at <a href="mailto:etarkhanian@resig.org">etarkhanian@resig.org</a> or 707-836-0779, ext. 111.</p>

<p><b>October 17, 2017</b></p> <p>9:00 – 1:00</p> <p>San Andreas I/II Conference Rooms</p>	<p style="text-align: center;"><b>Cal/OSHA Compliance</b></p> <p>This training is for: School Administrators, Human Resources Administrators and Maintenance and Safety Compliance personnel. Do you know what an IIPP is? Do you have a Heat Illness and Injury Prevention Plan? What's included in a Hazard Communications plan? Do you know what OSHA expects if they show up at your school? Get the answers from Dick Monod de Froideville, a retired Cal/OSHA Industrial Hygienist. Please RSVP to <a href="mailto:etarkhanian@resig.org">etarkhanian@resig.org</a> or 707-836-0779, ext. 111.</p>
<p><b>October 25, 2017</b></p> <p>9:00 – 11:00</p>	<p style="text-align: center;"><b>CIF - Risk, Legal and Compliance for Athletic Programs</b></p> <p>This training is for Athletic Directors, Coaches, school and district administrators who have athletic programs. To register for this workshop, please contact Deborah Fraser at <a href="mailto:dfraser@resig.org">dfraser@resig.org</a> or 707-836-0779, ext. 121.</p>
<p><b>November 6<sup>th</sup> &amp; 7<sup>th</sup></b></p> <p>8:30AM–4:30PM</p> <p>Rodgers Creek I/II Conference Rooms</p>	<p style="text-align: center;"><b>16 Hour OSHA Class III Training-<u>Initial</u> Course</b></p> <p>RESIG will present an Initial 16-Hour OSHA Class III Operations and Maintenance Training. The two-day course satisfies this <b>mandatory</b> OSHA training requirement. <b><u>This training is required for anyone who disturbs asbestos containing materials in a school.</u></b> Examples of disturbing asbestos containing materials include <i>minor</i> tasks such as removing a damaged asbestos floor tile, drilling or cutting into a wall or ceiling that contains asbestos, disturbing asbestos-containing acoustical ceilings, cutting into Transite cement panels and pipes and cleaning up <i>small</i> amounts of asbestos containing debris. Topics addressed in this course include air sampling, respiratory protection, and procedures for <b><u>safely disturbing</u></b> small amounts of asbestos-containing materials. Please contact Will Davis at <a href="mailto:wdavis@resig.org">wdavis@resig.org</a> or 707-836-0779, ext. 107 for additional information.</p>
<p><b>November 8, 2017</b></p> <p>8:30 – 4:30</p> <p>San Andreas I/II Conference Rooms</p>	<p style="text-align: center;"><b>Renovation, Repair and Painting Rule (RRP) <u>Initial</u> Course:</b></p> <p>EPA's Renovation, Repair, and Painting Rule (RRP) requires that school maintenance personnel who might disturb lead-based painted surfaces while doing plumbing, electrical, drywall, painting, tile work, window replacement, landscaping, building repairs, construction, renovation, or demolition in pre-1978 school buildings be a <b><u>Certified Renovator</u></b>. At least one <i>Certified Renovator</i> is required for each school district that has buildings constructed before 1978. This 8-hour initial course satisfies this requirement. Please contact Will Davis at <a href="mailto:wdavis@resig.org">wdavis@resig.org</a> or 707-836-0779, ext. 107 for additional information.</p>
<p><b>November 9<sup>th</sup></b></p> <p>8:00 – 12:00</p> <p>San Andreas I/II Conference Rooms</p>	<p style="text-align: center;"><b>4-hour Lead Certified Renovator RRP <u>Refresher</u> Training:</b></p> <p>For individuals who have previously completed the <b><u>8-hour EPA Lead Renovator Initial Certification</u></b> course in compliance with the Renovation, Repair, and Painting (RRP) Rule, this <b>4-hour RRP Refresher Course</b> is required to maintain your Certified Renovator status. Please contact Will Davis at <a href="mailto:wdavis@resig.org">wdavis@resig.org</a> or 707-836-0779, ext. 107 for additional information.</p>
<p><b>November 9<sup>th</sup></b></p> <p>1:00 – 5:00</p> <p>San Andreas I/II Conference Rooms</p>	<p style="text-align: center;"><b>OSHA Class III Operations and Maintenance Asbestos <u>Refresher</u></b></p> <p>This <b>annual</b> refresher course is <b>required to maintain your certification</b> by Cal/OSHA for individuals who attended the initial 16-Hour OSHA Class III O&amp;M Asbestos Course presented at RESIG. Class III asbestos work is defined as repair and maintenance activities involving intentional disturbance of asbestos-containing materials (ACM). Please contact Will Davis at <a href="mailto:wdavis@resig.org">wdavis@resig.org</a> or 707-836-0779, ext. 107 for additional information.</p>

<p><b>ONLINE</b></p>	<p style="text-align: center;"><b>Travelers Risk Control Training and Resources</b></p> <p>Travelers Risk Control is an online resource available to our member districts to provide highly customized resources and training for your schools. To access tools and resources from Travelers Risk Control, please contact Will Davis at <a href="mailto:wdavis@resig.org">wdavis@resig.org</a> or 707-836-0779, ext. 107 for additional information.</p>
<p><b>UPON REQUEST</b></p>	<p style="text-align: center;"><b>Industrial Leave &amp; Ed Code</b></p> <p>This training is for any administrator or employee responsible for monitoring or approving employee leaves, or for providing notices due to a Workers Compensation injury. It is approximately 30 minutes and conducted at RESIG. To schedule a training, please contact the Suzanne Pelz at <a href="mailto:spelz@resig.org">spelz@resig.org</a>/707-836-0779, ext. 123, or Chris Spencer at <a href="mailto:cspencer@resig.org">cspencer@resig.org</a> or 707-836-0779, ext. 114.</p>
<p><b>UPON REQUEST</b></p>	<p style="text-align: center;"><b>Ergonomic Training</b></p> <p>Do you need an ergonomic evaluation or training for your staff? This service is available for Office, Custodial and Maintenance, Food Service personnel. Please contact Kelly Cook at <a href="mailto:kcook@resig.org">kcook@resig.org</a> or 707-836-0779, ext.108.</p>
<p><b>UPON REQUEST</b></p>	<p style="text-align: center;"><b>Interactive Process</b></p> <p>Training for your managers and supervisors that administer the Interactive Process. A hands on discussion about how to engage the employee in the Process and how to come up with accommodation outcomes that are a win-win for both the employer and employee. Please contact Kelly Cook at <a href="mailto:kcook@resig.org">kcook@resig.org</a> or 707-836-0779, ext. 108.</p>
<p><b>UPON REQUEST</b></p>	<p style="text-align: center;"><b>Workers' Compensation "101"</b></p> <p>Learn what to do when an employee has an injury at work. This training is designed specifically for School District's WC Liaisons and Administrators. It is approximately an hour to an hour and a half course and is conducted at the school district site. Discussion will include: RESIG's Workers' Compensation team, how to report an injury, and required Workers' Compensation forms. To schedule personalized training, please contact the Suzanne Pelz at <a href="mailto:spelz@resig.org">spelz@resig.org</a>/707-836-0779, ext. 123, or Kelly Cook at <a href="mailto:kcook@resig.org">kcook@resig.org</a> 707-836-0779, ext.108.</p>
<p><b>UPON REQUEST</b></p>	<p style="text-align: center;"><b>Backsafe Injury Prevention Training</b></p> <p>This 2 hour, job-specific training is aimed at training employees on how to perform their work in a bio-mechanically correct way. The hands-on training is custom designed with an obstacle course based on your job activities and work flow. Host a training that the employees ask for every year! To set up a training at your district, please contact Erin Tarkhanian at <a href="mailto:etarkhanian@resig.org">etarkhanian@resig.org</a> or 707-836-0779, ext. 111.</p>
<p><b>UPON REQUEST</b></p>	<p style="text-align: center;"><b>Effective Playground Supervision Techniques</b></p> <p>This training is for: School personnel who are assigned to watch students during recess. What is the responsibility of school personnel while watching students on the playgrounds? Is there a ratio of students to supervisors? What are the most common problems when it comes to supervising students? To schedule this workshop, please contact the RESIG Loss Prevention Department at 707-836-0779, ext. 111.</p>

<p><b>Spring 2018</b></p>	<p style="text-align: center;"><b>AHERA Designated Person Training</b></p> <p>The EPA AHERA Regulation requires the Local Education Agency to designate an individual to be responsible for compliance with the AHERA asbestos-in-schools regulation. That "designated person" must be trained in accordance with the AHERA regulation. The first two hours are similar to the Asbestos Awareness course. The remaining time is targeted directly to designated person responsibilities and requirements. For example, a discussion of the record keeping involved with management plans, how to interpret the management plans, how to plan abatement jobs and calculate costs, management plan audits, and how to prepare for an EPA inspection. It's recommended that the designated person take this class every two to three years due to the constant changes in federal and state asbestos regulations. Please contact Will Davis at <a href="mailto:wdavis@resiq.org">wdavis@resiq.org</a> or 707-836-0779, ext. 107.</p>
<p><b>Spring 2018</b></p>	<p style="text-align: center;"><b>AHERA 2-Hour Awareness Training</b></p> <p>This class meets EPA and OSHA requirements for training maintenance and custodial personnel who may come in contact with asbestos-containing material but who are not expected to disturb that material. It teaches them how to <u>avoid</u> disturbing asbestos during their regular work activity. The EPA's AHERA regulation requires this training for maintenance and custodial personnel in schools. The OSHA Asbestos Standard for The Construction Industry (8 CCR 1529) mandates this training for all employees whose work brings them in contact with asbestos-containing materials. OSHA calls this Class IV Asbestos Training. Please contact Will Davis at <a href="mailto:wdavis@resiq.org">wdavis@resiq.org</a> or 707-836-0779, ext. 107.</p>
<p><b>Spring 2018</b></p>	<p style="text-align: center;"><b>School Violence &amp; The Active Shooter</b></p> <p>This four-hour course is designed for school faculty to address the threat of an Active Shooter and other violent critical incidents on school (K-12 and college/university) campuses. The actions of educational staff during critical incidents can save lives before law enforcement officers arrive on scene. For information about this class, please contact Erin Tarkhanian at: <a href="mailto:etarkhanian@resiq.org">etarkhanian@resiq.org</a> or 707-836-0779, ext. 111.</p>
