STRENGTH IN NUMBERS

SAFETY AND TRAINING GRANTS AVAILABLE TO SPA MEMBERS

FIRE AND SMOKE RESTORATION TECHNICIAN CLASS **June 16 and 17, 2021** **8:00 A.M. – 4:30 P.M.** **Via Zoom Conferencing**

SPA is pleased to offer member districts the initial 2-day *Fire and Smoke Restoration Technician* (FSRT) course presented live online through the Zoom platform on June 16 and 17, 2021.

This course is accredited through the *Institute of Inspection, Cleaning and Restoration Certification*® (IICRC) and conducted by the Academy of Textiles and Flooring (ATF), an accredited IICRC course provider.

Students will learn how to combine technical procedures with practical approaches for managing fire and smoke impacted environments including deodorization of fire and smoke damaged structures.

COURSE TOPICS INCLUDE:

- Characteristics and types of smoke
- Conducting inspections of fire and smoke damaged structures
 - Inspection procedures
 - Restoration chemicals, supplies, and equipment
- Deodorizing and odor control of smoke damaged environments
 - Restoration options
 - Furnace systems and duct work
 - Structural cleaning
 - And more

For more information see their website: <https://www.iicrc.org/>

BUTTE SCHOOLS
