

# D&P Maximum Waiver<sup>®</sup> option

## Wave “hello” to wellness

Delta Dental’s D&P Maximum Waiver option can help keep enrollees well — which makes for benefit dollars well-spent. With D&P Maximum Waiver, costs for covered diagnostic and preventive dental services don’t accrue against plan year maximums. Enrollees will effectively have more dollars to use for other needed dental services.

### Maximize smiles and savings with D&P Max Waiver

**Help enrollees stretch their dental benefit dollars**

Enrollees don't have to forego routine and preventive care in order to "save" annual maximum dollars for more costly needed services. Routine preventive care could reduce the need for expensive dental services as a result of missed oral examinations that have left other potential risks undetected.
