## DELTA DENTAL NETWORKS

When it comes to Delta Dental, you receive more than just exceptional dental benefits you also get great value. Delta Dental gives you the power of choice with access to two networks: Delta Dental PPO and Delta Dental Premier. Providers in the PPO network have the lowest negotiated fees, resulting in the lowest cost for you. The Premier Network has more providers, but their negotiated fees are higher, so your cost may be higher, however you still have protection for no balance billing because of the Delta network.
